 Washington, D. C.

Dear Wally:

We are moving to implement an outline of the KIQ Strategy Report for KIQ 29. Our first step will be to prepare a production program to give positive direction to collection and production aimed at answering questions involved with this KIQ.

We are inviting CIA and INR to send a senior representative to a meeting to be held on Friday, 14 March, at 0930 in Room 7E-62, CIA Headquarters Building at which a production schedule and drafting assignments will be discussed.

It would be appreciated if you and any other senior representative of the DIA component you think appropriate would attend. Please have someone notify [REDACTED] Code 143, Extension 7105, of the names of the attendees. I look forward to seeing you.

Sincerely,
